

Deck Mate - Deck Board Spacing Tool

Model #: 60-275
UPC: 049448602759

Johnson's deck board spacing tool is an easy to use, one-piece tool for the most common deck board sizes. It evenly spaces dry or green deck lumber - allowing enough room for expansion and contraction and eliminating guesswork. The spacing tool features a durable, high-impact body and 1/8" and 3/16" spacer edges, while the included layout guide provide easy guidance for 2x4 and 2x6 decking.

PRODUCT DETAILS

- Durable, high-impact body
- 1/8" or 3/16" spacer edges
- Nail/screw layout guide for 2" x 4" or 2" x 6" decking
